

# Meet your animal self

Imagine yourself in an animal community, with your own habits, favorite places and ways to help. Short answers, skipped questions and "suggest something" are welcome. No drawing skills or familiarity with this world needed.

Your organizer will use your chosen answers with an AI art tool and reveal the artwork at the next meeting. Share only what you want included. You can also pass on the activity.

Our team: \_\_\_\_\_

Use the team name from the separate group name-and-logo activity; leave blank if undecided.

## 1. Your real name, exactly as it should appear

A first name is enough. We will use this name on your character artwork.

\_\_\_\_\_

## 2. What species of animal would you be?

An otter, owl, fox, elephant, octopus... Choose a real animal, an invented mix, or ask for an idea.

\_\_\_\_\_

## 3. What role would you have in your animal community?

A trail guide, nest builder, gardener, lookout or welcoming neighbor? Your role can reflect work, life outside work, or something you would love to be.

\_\_\_\_\_

\_\_\_\_\_

## 4. What is your special animal talent?

Spot tiny details, build cozy dens, find lost things, make others laugh... Natural or magical is welcome.

\_\_\_\_\_

\_\_\_\_\_

## 5. What are you like around the other animals?

Sociable, thoughtful, adventurous, sleepy? Add a habit or quirk that feels like you.

\_\_\_\_\_

\_\_\_\_\_

**Turn over to choose your look, symbol and world.**

# Make it feel like you

Your real name (same as page 1): \_\_\_\_\_

## 6. What do you love?

Choose two or three hobbies, favorite things or meaningful objects. Life outside work counts.

---

---

## 7. What would your animal self look like?

Your character doesn't have to look like you to feel like you. Choose any colors, shapes and details.

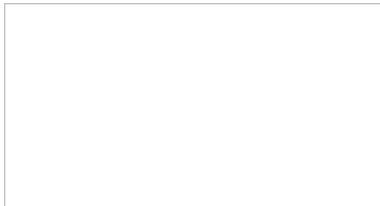

Fur / feathers / scales / colors: \_\_\_\_\_

Markings / shapes / distinctive details: \_\_\_\_\_

Accessories (e.g., scarf, satchel, glasses): \_\_\_\_\_

## 8. What is your personal symbol?

A small marking or accessory charm could represent you: a wave for a love of the sea, for example. Keep it separate from the shared team logo. Describe it, sketch it, or ask for ideas.

Describe it / what it means:

---

---

## 9. What is your habitat, and what are you doing there?

A woodland den, coral reef, city rooftop or meadow... Reading, swimming, exploring, sharing a meal?

---

---

## 10. Any finishing touches or things to leave out?

Optional: a companion, favorite snack, treasured object, must-have detail or anything to avoid.

---

---

**We will reveal our characters together. You can ask for changes.**
