

# Meet your pop-star self

Imagine yourself in a world of music, memorable performances and a stage that feels like yours. Short answers, skipped questions and "suggest something" are welcome. No drawing skills or familiarity with this world needed.

Your organizer will use your chosen answers with an AI art tool and reveal the artwork at the next meeting. Share only what you want included. You can also pass on the activity.

Our team: \_\_\_\_\_

Use the team name from the separate group name-and-logo activity; leave blank if undecided.

## 1. Your real name, exactly as it should appear

A first name is enough. We will use this name on your character artwork.

\_\_\_\_\_

## 2. What kind of musical artist would you be?

A singing fox, robot DJ or musical dragon? Choose a character and a sound: disco, acoustic, synth-pop...

\_\_\_\_\_

## 3. What role would you have in the music team?

A singer, instrumentalist, dancer, songwriter, DJ or producer? Your role can reflect work, life outside work, or something you would love to be.

\_\_\_\_\_

\_\_\_\_\_

## 4. What musical or performance talent would you be known for?

Big choruses, clever lyrics, moving solos, playful dance moves... What would make your performances yours?

\_\_\_\_\_

\_\_\_\_\_

## 5. What are you like onstage and offstage?

Warm, theatrical, cheeky, calm, energetic? Add a trait, habit or quirk that feels like you.

\_\_\_\_\_

\_\_\_\_\_

**Turn over to choose your look, symbol and world.**

# Make it feel like you

Your real name (same as page 1): \_\_\_\_\_

## 6. What do you love?

Choose two or three hobbies, favorite things or meaningful objects. Life outside work counts.

---

---

## 7. What would your performance look be?

Your character doesn't have to look like you to feel like you. Choose any colors, shapes and details.

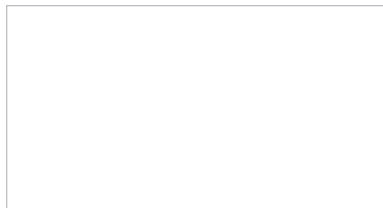

Colors / markings / materials: \_\_\_\_\_

Wardrobe / accessories / stage details: \_\_\_\_\_

Instrument / meaningful objects (e.g., guitar, notebook): \_\_\_\_\_

## 8. What is your signature motif, and what does it mean?

A shape or image on your outfit or instrument could represent you: a sun for warmth, for example. This is your personal symbol, separate from the shared team logo. Describe it, sketch it, or ask for ideas.

Describe it / what it means:

---

---

## 9. What is your stage setting, and what are you doing?

An intimate cafe, a rooftop at sunset, a colorful festival... Singing, dancing, playing, leading a singalong?

---

---

## 10. Any finishing touches or things to leave out?

Optional: a favorite dance move, lighting idea, tiny backstory, must-have detail or anything to avoid.

---

---

**We will reveal our characters together. You can ask for changes.**
